How to Register as a Patient

The practice welcomes all new patients. We are a registered Doctors Of The World Safe Surgery, meaning we require no photographic ID or proof of address to register with the Practice.

Fill in an [online form](#) to register, or attend the Practice reception to collect registration forms.

Appointments

All appointment requests must be made using our [Anima](#) online application. Your concern will be triaged by a member of our team who will be in touch as soon as possible.

Clinical Team

Our clinical team consists of the following practitioners:

- GPs
- Nurse Practitioners—Nurses who can diagnose and prescribe for a variety of minor illnesses
- Practice Nurses—Nurses who undertake clinics including cervical screening, diabetes reviews, and respiratory reviews
- Healthcare Assistants—Clinical staff who are trained to take blood samples, undertake NHS Health Checks, and take blood pressure readings
- Clinical Pharmacists—Review medications, offer monitoring and provide general medication advice
- Physiotherapists—Provide first contact musculoskeletal physiotherapy to advise, assess and diagnose conditions

Home Visits

Home visits are offered to those who are housebound and unable to attend the Practice in person. Visits should be requested before 10:00am where possible.

Patient Participation Group

If you would like to join our Patient Participation Group, please contact the Practice via [Anima](#) for further details.

Online Services

In order to register for online services, including repeat prescription ordering and appointment booking, please attend the Practice reception to complete a form. Please remember to bring photographic ID.

Prescriptions

If you are prescribed repeat medication, please order your medication via [SystmOnline](#), your [NHS account](#) (including the NHS App) or using [Anima](#).

Alternatively, please complete a repeat medication ordering form available from the reception, or ask your pharmacy for a copy of your repeat slip.

If you are housebound and unable to attend the Practice and do not use the internet, please speak to our prescription team for further advice on ordering your medication.

Please allow 72 hours (three working days) for prescriptions to be processed. Please contact your pharmacy if you wish to find out if your prescription has arrived with them.

Chaperones

All patients are entitled to have a chaperone present for any consultation. You can request a chaperone at any time, ideally at the time of booking. Please speak to the administration team or the clinician during your appointment.

Blood Test Results

It is the patient's responsibility to follow-up blood test results. Blood test results can be obtained via [SystmOnline](#), your [NHS account](#) (including the NHS App) or using [Anima](#).

Accessibility

The Practice is wheelchair accessible and offers step-free access from the car park to most of our consultation rooms, including the reception and disabled WC.

There is a designated disabled parking bay at the surgery entrance. The Practice has wide doors to allow for wheelchair access.

The Practice has one wheelchair for patient use if necessary.

Car Park

There is a small car park with limited parking available. It is for patient use and is used at your own risk.

The Practice accepts no liability for any losses or damage caused while on the premises. We recommend patients do not use the car park in icy conditions.

Comments and Complaints

If you have any suggestions or comments regarding any aspect of your treatment whilst in our care, please complete a form using [Anima](#) or provide this in writing.

We do make every effort to ensure that you are treated to the highest standard, but if you have any complaints, we are prepared to listen. Please address your complaint in writing to the Practice Manager and we will acknowledge your letter within three working days. Please see our complaints leaflet for further information.
